OFFICE OF LEGISLATIVE COUNSEL

Saturday - 18 January 1964

(Unclassified - GLC) Received a call from William Seward, in the office of Senator Barry Goldwater. Seward inferred that they had received an inquiry regarding the Agency's economic paper and wanted to know if it was customary for us to release materials of this type. I explained the background of the development of the recent paper and explained to him that this was not our normal practice. However, I pointed out that Mr. Dulles had appeared before the Joint Economic Committee in open session on this subject.
